

Mrs. Gracias' Classroom Highlights

Learning Expo- December 16

Winter Break—Dec. 18– Jan 2

- ◆ Please follow our class on twitter @jgracias10
 - ◆ No homework this week!
 - ◆ We will enjoy our Holiday Spirit week this week!
 - ◆ Please continue to send in a snack (if needed) water bottle and an extra mask.
 - ◆ Our Learning Expo will be on December 16th
- ◆ from 5:00– 6:00 p.m. **Please note there is a separate time slot for carpool parents and bus parents.**
 - ◆ We have scheduled an in-school foeld trip through Science Fun. Permission slips and other info will be sent when we come back from the holiday break.

We are learning...

Reading El and Writing: - Reading and writing narratives: Past week we planned, drafted and published pourquoi stories about our 'Freaky Frogs'! It was amazing to read some really creative and descriptive writing :) This week we will analyze non fiction text on frogs, explain how different text features help understand text, and practice note taking skills.

After we come back from the break, we will start planning our informative pieces on our choice of frogs.

Math: - We will continue to solve variety of word problems using all the learned multiplication and division strategies. Then we will move on to two step mixed operation word problems. We will

complete assessment #2 this week.

Students are having fun revising and finalizing their multiplication games.

Social Studies- Elections were a learning experience for students! I am proud of each of our candidates and their efforts.

We have our Class President and Vice President!

Science- In our Matter unit we will ...
- understand the structure and properties of matter before and after they undergo a change
- recognize how energy can be transferred from one object to another
